Product Data Sheet 'Ventilator' Autoclosing Fire Windows

Sheet No:-
VAFW-2001-F

Opening Sash
Profile

DESCRIPTION

The 'Ventilator' Autoclosing Fire Window is a fire rated window that can be opened and will automatically close in the event of a fire. The frame is constructed from hot rolled steel profiles to provide additional strength and is supplied powder coated to any standard colour or galvanised ready for on site painting. The 'VENTILATOR' has a slim profile to blend with existing windows and is glazed with a fire rated glass that is available in standard, polished and obscure finishes.

APPLICATION

The 'VENTILATOR' is designed to provide a fire rating to openings in external walls where natural ventilation and light is required or designed.

INSTALLATION

Our experienced staff at Fyreguard can install the windows and issue full certification in accordance with the Building Code of Australia on completion of works. Alternatively, installation can be performed by a competent person in accordance with manufacturers specifications, provided all work is certified by the installer and complies with the Australian Standards.

Specification / Size

The Fyreguard 'Ventilator' Autoclosing Fire Window complies with Part C3.4 of the Building Code of Australia and is suitable for installation into a number of building substrates, including: concrete blocks, brick veneer, cavity brick and concrete panel construction.

Windows sizes can be made to order or standardised for specific projects. Please contact Fyreguard to ensure the most cost effective sizes are specified.

FIRE TEST DATA

This product meets the requirements of the Building Code of Australia and Australian Standard AS1530.4. Approvals are held for Fire Resistant Levels of -/30/- to -/120/- inclusive.

MORE INFO?

Other systems in the glass range include: slimline fire windows, insulating fire windows, glazed fire doors, non-combustible glazed rooflights, skylights & smoke reservoirs. For more information on the Fyreguard 'Ventilator' Autoclosing Fire Window or any other products contact Fyreguard Qld Pty Ltd.
